Terms defined in the Prospectus shall have the same meaning in this subscription form (the "Subscription Form"). The notice of, and the minutes from, the extraordinary general meeting (with enclosures), the Company's articles of association and the annual accounts and directors' reports for the last two years are available at the Company's registered office at Thunes vei 2, 0274 Oslo, Norway.

Subscription procedure: The subscription period is from and including 13 October 2021 to 27 October 2021 at 16:30 hours (CEST) (the "Subscription Period"). Correctly completed Subscription Forms must be received by the Settlement Agent no later than 27 October 2021 at 16:30 hours (CEST) at the following address or email address: DNB Bank ASA, Dronning Eufemias gate 30, N-0021 Oslo, Norway, tel: +47 23 26 80 20 or e-mail: retail@dnb.no. The subscriber is responsible for the correctness of the information inserted on the Subscription Form. Subscription Forms received after the end of the Subscription Period and/or incomplete or incorrect Subscription Forms and any subscription that may be unlawful may be disregarded at the sole discretion of the Company and/or the Settlement Agent without notice to the subscriber.

Subscribers who are Norwegian residents with a Norwegian personal identity number (Nw.: personnummer) are encouraged to subscribe for Offer Shares through the VPS online subscription system (or by following the link on <https://aega.no/rights-issue-2021/>, which will redirect the subscriber to the VPS online subscription system). Subscriptions made through the VPS online subscription system must be duly registered before the expiry of the Subscription Period.

Neither the Company nor the Settlement Agent may be held responsible for postal delays, unavailable internet lines or servers or other logistical or technical problems that may result in subscriptions not being received in time or at all by the Settlement Agent. Subscriptions are binding and irrevocable, and cannot be withdrawn, cancelled or modified by the subscriber after being received by the Settlement Agent or, in the case of subscriptions through the VPS online subscription system, upon registration of the subscription. By signing and submitting this Subscription Form, or registering a subscription through the VPS online subscription system, the subscriber confirms and warrants to have read the Prospectus and to be eligible to subscribe for Offer Shares under the terms set forth therein.

Subscription Price: The subscription price in the Rights Issue is NOK 1.50 per Offer Share (the "Subscription Price").

Subscription Rights: The shareholders of the Company as of 30 September 2021 (and being registered as such in the VPS at the expiry of 4 October 2021 pursuant to the two days' settlement procedure (the "Record Date")) will be granted subscription rights (the "Subscription Rights") in the Rights Issue that, subject to applicable law, provide preferential right to subscribe for, and be allocated, Offer Shares at the Subscription Price. Each Offer Share is offered with the addition of two warrants (the "Warrants" and together with one Offer Share, a "Unit") whereby one Warrant gives the right to subscribe for one additional share in the Company on 10 March 2022 with a nominal value of NOK 1 at a subscription price of NOK 1.70, while the other Warrant gives the right to subscribe for one additional share in the Company on 16 June 2022 with a nominal value of NOK 1 at a subscription price of NOK 1.90. The Subscription Rights will be listed and tradable on Euronext Expand Oslo from 13 October 2021 to 16:30 hours (CEST) on 25 October 2021 under the ticker code "AEGA-T". **The Subscription Rights will hence only be tradable during part of the Subscription Period.** Each existing shareholder will be granted 0.3721 Subscription Rights for every one (1) existing share registered as held by the shareholder on 30 September 2021, as they appear in the Company's shareholder register in VPS on 4 October 2021 (the "Record Date"), rounded down to the nearest whole Subscription Right. Subscription Rights will not be issued in respect of the existing shares held in treasury by the Company. Subscription Rights acquired during the Subscription Period carry the same right to subscription as the Subscription Rights held by Existing Shareholders. Each Subscription Right will, subject to applicable securities laws, give the right to subscribe for, and be allocated, one Unit. Over-subscription and subscription without Subscription Rights is permitted. **Subscription Rights that are not used to subscribe for Units before the expiry of the Subscription Period (i.e. 27 October 2021 at 16:30 hours (CEST)) or sold before 25 October 2021 at 16:30 hours (CEST) will have no value and will lapse without compensation to the holder.**

Allocation of Offer Shares: The Units will be allocated to the subscribers based on the allocation criteria set out in the Prospectus. The Company reserves the right to reject or reduce any subscription for Units not covered by Subscription Rights. No fractional Offer Shares or Units will be allocated. Allocation of fewer Units than subscribed for by a subscriber will not impact on the subscriber's obligation to pay for the number of Units allocated. Notification of allocated Units and the corresponding subscription amount to be paid by each subscriber are expected to be distributed in a letter from the VPS on or about 28 October 2021.

Payment: The payment for Units allocated to a subscriber falls due on 1 November 2021 (the "Payment Date"). By signing this Subscription Form, subscribers having a Norwegian bank account irrevocably authorise DNB Bank ASA (the "Settlement Agent") to debit the bank account specified below for the subscription amount payable for the Units allocated to the subscriber. The Settlement Agent is only authorised to debit such account once, but reserves the right to make up to three debit attempts, and the authorisation will be valid for up to seven working days after the Payment Date. The subscriber furthermore authorises the Settlement Agent to obtain confirmation from the subscriber's bank that the subscriber has the right to dispose over the specified account and that there are sufficient funds in the account to cover the payment. If there are insufficient funds in a subscriber's bank account or if it for other reasons is impossible to debit such bank account when a debit attempt is made pursuant to the authorisation from the subscriber, the subscriber's obligation to pay for the Units will be deemed overdue. Subscribers who do not have a Norwegian bank account must ensure that payment with cleared funds for the Units allocated to them is made on or before the Payment Date. Prior to any such payment being made, the subscriber must contact the Settlement Agent (DNB Bank ASA) on telephone number +47 23 26 80 20 for further details and instructions.

ADDITIONAL GUIDELINES FOR THE SUBSCRIBER

Regulatory Issues: In accordance with the Markets in Financial Instruments Directive (MiFID II) of the European Union, Norwegian law imposes requirements in relation to business investments. In this respect the Settlement Agent must categorise all new clients in one of three categories: eligible counterparties, professional and non-professional clients. All subscribers in the Rights Issue who are not existing clients of the Settlement Agent will be categorised as non-professional clients. Subscribers can by written request to the Settlement Agent ask to be categorised as a professional client if the subscriber fulfils the applicable requirements of the Norwegian Securities Trading Act. For further information about the categorisation, the subscriber may contact the Settlement Agent. **The subscriber represents that he/she/it is capable of evaluating the merits and risks of an investment decision to invest in the Company by subscribing for Units, and is able to bear the economic risk, and to withstand a complete loss, of an investment in the Units.**

The Settlement Agent will receive a consideration from the Company and will in conducting its work have to take into consideration the requirements of the Company and the interests of the investors subscribing under the Rights Issue and the rules regarding inducements pursuant to the requirements of the Norwegian MiFID II Regulations (implementing the European Directive for Markets in Financial Instruments (MiFID II)).

Selling and Transfer Restrictions: The attention of persons who wish to subscribe for Units is drawn to Section 14 of the Prospectus "Selling and transfer restrictions". The making or acceptance of the Rights Issue to persons who have registered addresses outside Norway, or who are resident in, or citizens of, countries outside Norway, may be affected by the laws of the relevant jurisdiction. Those persons should consult their professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to subscribe for Units. It is the responsibility of any person outside Norway wishing to subscribe for Units under the Rights Issue to satisfy himself/herself/itself as to the full observance of the laws of any relevant jurisdiction in connection therewith, including obtaining any governmental or other consent which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such territories. The Subscription Rights and the Units have not been registered and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), or under the securities law of any state or other jurisdiction of the United States and may not be offered, sold, taken up, exercised, resold, delivered or transferred, directly or indirectly, within the United States, except pursuant to an applicable exemption from the registration requirements of the U.S. Securities Act and in compliance with the securities laws of any state or other jurisdiction of the United States. There will be no public offer of the Subscription Rights and Units in the United States. The Subscription Rights and the Units have not been and will not be registered under the applicable securities laws of Australia, Canada, the Hong Kong, Singapore or Japan and may not be offered, sold, resold or delivered, directly or indirectly, in or into Australia, Canada, the Hong Kong, Singapore, Japan or any other jurisdiction which would require such registration, except pursuant to an applicable exemption from applicable securities laws. This Subscription Form does not constitute an offer to sell or a solicitation of an offer to buy Units in any jurisdiction in which such offer or solicitation is unlawful. Subject to certain exceptions, the Prospectus will not be distributed in the United States, Australia, Canada, the Hong Kong, Singapore, Japan or any other jurisdiction in which such distribution would be unlawful. Except as otherwise provided in the Prospectus, the Subscription Rights and the Units may not be transferred, sold or delivered in the United States, Australia, Canada, the Hong Kong, Singapore or Japan or any other jurisdiction in which such transfer, sale or deliverance would be unlawful. A notification of exercise of Subscription Rights and subscription of Units in contravention of the above restrictions may be deemed to be invalid. By subscribing for the Units, persons effecting subscriptions will be deemed to have represented to the Company that they, and the persons on whose behalf they are subscribing for the Units, have complied with the above selling restrictions.

Execution Only: The Settlement Agent will treat the Subscription Form as an execution-only instruction. The Settlement Agent is not required to determine whether an investment in the Units is appropriate or not for the subscriber. Hence, the subscriber will not benefit from the protection of the relevant conduct of business rules in accordance with the Norwegian Securities Trading Act.

Information Exchange: The subscriber acknowledges that, under the Norwegian Securities Trading Act and the Norwegian Financial Undertakings Act and foreign legislation applicable to the Settlement Agent there is a duty of secrecy between the different units of the Settlement Agent, as well as between other entities in the Settlement Agent's group. This may entail that other employees of the Settlement Agent or the Settlement Agent's group may have information that may be relevant to the subscriber, but which the Settlement Agent will not have access to in their capacity as Settlement Agent for the Rights Issue.

Information Barriers: The Settlement Agent is a securities firm that offer a broad range of investment services. In order to ensure that assignments undertaken in the Settlement Agent's corporate finance department are kept confidential, the Settlement Agent's other activities, including analysis and stock broking, are separated from the Settlement Agent's corporate finance department by information walls. The subscriber acknowledges that the Settlement Agent's analysis and stock broking activity may conflict with the subscriber's interests with regard to transactions of the Units, including the Offer Shares, as a consequence of such information walls.

VPS Account and Mandatory Anti-Money Laundering Procedures: The Rights Issue is subject to the Norwegian Money Laundering Act No. 23 of June 1, 2018 and the Norwegian Money Laundering Regulations No. 1324 of September 14, 2018 (collectively, the "**Anti-Money Laundering Legislation**"). Subscribers who are not registered as existing customers with the Settlement Agent must verify their identity to the Settlement Agent in accordance with the requirements of the Anti-Money Laundering Legislation, unless an exemption is available. Subscribers who have designated an existing Norwegian bank account and an existing VPS account on the Subscription Form are exempted, unless verification of identity is requested by the Settlement Agent. The verification of identity must be completed prior to the end of the Subscription Period. Subscribers that have not completed the required verification of identity may not be allocated Units. Further, in participating in the Rights Issue, each subscriber must have a VPS account. The VPS account number must be stated on the Subscription Form. VPS accounts can be established with authorised VPS registrars, which can be Norwegian banks, authorised securities brokers in Norway and Norwegian branches of credit institutions established within the European Economic Area (the "**EEA**"). Non-Norwegian investors may, however, use nominee VPS accounts registered in the name of a nominee. The nominee must be authorised by the Financial Supervisory Authority of Norway. Establishment of a VPS account requires verification of identity to the VPS registrar in accordance with the Anti-Money Laundering Legislation.

Personal data: The applicant confirms that it has been provided information regarding the Settlement Agent's processing of personal data. The processing of personal data is necessary in order to fulfil an agreement to which the subscribers are a party and to meet legal obligations. The Norwegian Securities Trading Act and the Money Laundering Act require that the Settlement Agent process and store information about customers and trades, and control and document its activities. The subscribers' personal data will be processed confidentially, but if it is necessary in relation to the purposes, the personal data may be shared between companies within the Settlement Agent's group and/or public authorities. The personal data will be processed as long as necessary for the purposes, and will subsequently be deleted unless there is a statutory duty to keep it. As a data subject, the subscribers have several legal rights. This includes i.e. the right to access their personal data, and a right to request that incorrect information be corrected. In certain instances, they have the right to impose restrictions on the processing or demand that the information is deleted. They may also complain to a supervisory authority if they find that the Receiving Agent's processing is in breach of the law.
